

**SOLUTECH PACKAGING SYSTEMS INC.
MANUFACTURER OF CUSTOM MADE
ENVIROMENTLY FRIENDLY EQUIPEMENT.**

SOLUTECH CAPS DISTRIBUTION MACHINE !!

The operator dumps in a stainless steel bucket a complete box of caps (used on vinaigrette bottles). Solutech system will then present the cap in the good orientation to the capping machine.

**SOLUTECH SOLUTION HELPED CUSTOMER
REDUCE THEIR COST BY MAKING A
CAP DISTRIBUTION MACHINE.**

Technicalities

Specifications :

- 120VAC voltage
- Conveyor used to orient the caps in the proper direction
- Automatic cap feeding chute
