MATERIALS.**

**SOLUTECH OPTION HELP CUSTOMERS
REDUCE THEIR COST OF VOID FILL MATERIAL
BY RE-USING THEIR EXISTING A SECOND
LIFE AT USE CORRUGATED.**

SOLUTECH ENVIRO-PLUS !!

You can now re-use your old corrugated boxes and stop purchasing foam peanuts, paper void fill or other material to fill in the void in boxes.

Reducing costs associated with;

- Foam peanuts for void fill material
- Material and machine for air pillow
- Material and machine for paper void fill

Improve environmental situation:

Reducing the transportation of void fill material by re-using what's already in your plant.
