

SYSTÈMES D'EMBALLAGES | PACKAGING SYSTEMS

**SOLUTECH PACKAGING SYSTEMS INC.
MANUFACTURER OF MATERIAL HANDLING
SOLUTIONS.**

**HEAVY COMPONENTS STORAGE
WITH MOTORIZED DRAWERS DID
THE JOB FOR THIS CUSTOMER !**

**Automated shelving with
motorized drawers.**

- Width 60"
- Depth 65"
- Height 80"
- 4 Drawers
- Drawer capacity 2000 Lbs

Customer did not have room for forklift to pass through the aisle, therefore the objective was to load and unload heavy parts with an overhead crane and reduce the aisle space requirements.

Totally safe design; should one drawer be out the others are locked.

- Voltage 120VAC
- Pilot lights inform the operator when the drawers are not in a safe position.
